WOLFFKRAN appoints Tobias Bissig as CFO

Cham, 25 June 2026 – WOLFFKRAN Holding AG, a leading manufacturer of high-quality tower cranes, today announces the appointment of Tobias Bissig as Chief Financial Officer (CFO), effective 1 July 2026. He succeeds Tim Eichenhofer, who will remain with the company until the end of 2026 to support an orderly transition.

Tobias Bissig's appointment reflects Wolffkran's long-term growth strategy and the continued expansion of its international business. With Saudi Arabia emerging as the company's most important growth market, his extensive international leadership experience and deep regional knowledge of the Middle East are particularly valuable. Having lived and worked in Saudi Arabia and the United Arab Emirates, he brings a profound understanding of the market, its cultural and business environment, and the opportunities arising from the Kingdom's ambitious infrastructure and development agenda. His expertise will help further strengthen Wolffkran's position as a trusted partner for major projects in the region and support the execution of the company's strategic priorities in key international markets.

Tim Eichenhofer joined Wolffkran in 2022 and has played a key role in strengthening the company's financial position and supporting its strategic growth. During his tenure, he successfully led Wolffkran's inaugural bond issuance and its listing on SIX Swiss Exchange, broadening the company's financing base and creating the foundation for further international expansion. He also contributed significantly to the continued professionalization of the Group's finance function and supported the company's growth initiatives across key markets. He will remain available to the company until the end of 2026 to ensure an orderly transition.

Peter Schiefer, Delegate and Chief Executive Officer of WOLFFKRAN Holding AG, said: *"On behalf of the Board of Directors and the entire Wolffkran team, I would like to sincerely thank Tim for his contribution and commitment over the past years. He played a pivotal role in strengthening our financial foundation and successfully realized Wolffkran's debut bond listing on SIX Swiss Exchange, creating important prerequisites for the company's future growth. We are grateful that Tim will continue to support us until the end of the year to ensure a smooth transition. At the same time, I am delighted to welcome Tobias Bissig to Wolffkran. His extensive international leadership experience and strong track record in*

finance, transformation and business development make him ideally positioned to support the next phase of Wolffkran's growth."

Tobias Bissig brings more than 20 years of international finance and leadership experience across industrial and technology-driven businesses. Throughout his career, he has successfully led global finance organizations, supported business transformations and driven operational performance improvements across multiple regions. Most recently, he served as Group Chief Financial Officer of Datamars Group and, prior to that, as Group CFO of the listed Carlo Gavazzi Group. Earlier in his career, he held a number of senior finance leadership positions within Schindler and ABB across Europe, Asia and the Middle East.
