

# Operator Supervisor

**WOLFFKRAN.** The name stands for experience and competence in the design, construction and use of tower cranes. With its innovative technology and know-how, the company has significantly contributed to the rapid developments in the field of material handling to date.

We are now looking for an Operator Supervisor for our Northern-based operators to ensure that they perform effectively and are satisfied in their role.

## Day-to-day tasks:

- You will carry out inductions to new Tower Crane Operators to company standards to ensure operators follow WOLFFKRAN rules, policies and procedures
- You will train, familiarise and assess both WOLFFKRAN and customer employees on various makes and models of tower cranes complying with legislation and industry's best practice
- You will deliver training for our customers and internally to recognised national standards
- You will be responsible for day-to-day supervision of operators and provide support to ensure we deliver the best customer experience

## Requirements:

- Full Driving Licence
- CPCS/NOCN Blue Card with tower crane operator and crane supervisor categories
- IT literate skills

We are looking for an individual with a strong work ethic and clear communication skills, always promoting our core values.

## Next Steps:

If you are interested in this opportunity, please submit an up-to-date CV to Sophie Wright [s.wright@wolffkran.com](mailto:s.wright@wolffkran.com)

The closing date for applications is Wednesday 10th August at 10 am, and interviews will be held on Friday 13th August.
